OUTSTANDING FEATURES

Single/double cover pan in weigher, Festo branded valves and aluminium dry system pneumatic cylinders (ISO 6431-32), and stainless load cells.

All inner surfaces are food grade electrostatic powder coated after sand blasting. Each weigher is able to work independently from central system and able to indicate total material flow. Computerized centre, printer and application software for reporting. Capacity adjustment ability in wheat weigher. (max. t/h)
